La Serenissima

– The Golden Era of Music in Venice

with our Speaker: Patrick Craig

(countertenor and conductor)

Patrick Craig is a Vicar Choral at St Paul's Cathedral. This evening, he explores the rich musical traditions of Venice. Claudio Monteverdi not only transformed the music at the Basilica of San Marco but also led the way in the creation of a new art form – opera. Additionally, works from the other musical geniuses who developed the musical life of San Marco, including Monteverdi's successors in the creation of Venetian opera. We shall also examine and hear music from Cavalli, Albinoni and Vivaldi, the other towering figure of Venetian music.

Parking: Bristol Golf Club is situated just off the M5 at Jct 17 (Cribbs Causeway). There is ample parking on site adjacent to the clubhouse.
