**‘The Beauty of Frames’ - Our Golden Anniversary Study Day**

Our Golden Anniversary Study Day commences at **10.30 am** so do please arrive in good time and obtain your own refreshments at the Club Bar before making your way to the St Swithins Suite, where our Guest Speaker Julia Korner will begin by giving us a fascinating lecture on **‘The History of Frames’**.

This will be followed by a half hour Refreshment break and coffee/tea/biscuits will be served.

After our Refreshment break Julia will give us another captivating lecture; entitled **‘The Design and Making of Frames & Gilding Techniques’** and at the end of this we will break again for a delicious 2-Course Buffet Luncheon. **Choose a main course of either Ham Quiche or Vegetarian Quiche (with salad & new potatoes) both of which will be served with a Dessert of Fresh Fruit with Cream.** NB Drinks are NOT included with the Luncheon, but are available to purchase from the Club Bar.

Following our lovely Luncheon Julia will be indulging us in a fantastic **‘Frames Roadshow’** (a fitting finale to our day)! **If you would like to do so then please bring a framed Oil or Watercolour to the SD and Julia will give her expert opinion (sorry, NO valuations can be given).** Our wonderful Golden Anniversary Study Day will come to a close at approximately 4pm.
