

Young Arts Kings Weston Villa

We are a creative group of Year 10 Art students from Oasis Academy Brightstowe.

We have been working with Bristol Museums, Galleries & Archives, artist Julie Roberts and Bristol Decorative & Fine Arts Society to create a new range of merchandise inspired by Kings Weston Roman Villa.

To create our range, we visited the Villa, handled real Roman objects and studied the mosaics. We researched different products before creating these designs. This was an amazing opportunity for us and we hope you like the results.

The project, funded by BDFAS and organised in conjunction with Bristol City Museum and Art Gallery, involved a group of 21 students from Oasis Brigstowe Academy and Kings Weston Special School visiting the Kings Weston Roman Villa and developing creative ideas for items to be sold at the Museum shop.
