

**Our Autumn 2021 Tour to
Northumberland (Oct 18 – 21)
postponed from 2020**

Highlights: staying in Bill Bryson's 'perfect little city' of Durham, having good weather to visit Alnwick Castle, the Yorkshire Sculpture Park, and of course having fun (here's Heather on the swings..)!

With thanks to Hilary Williams, Stella Victory & Heather Fry for photos.

Another excellent journey organised especially for us by Heritage Group Travel.
